

FIRST APPOINTMENT OVERVIEW

| | |
|--------------|--|
| REGISTRATION | We request basic information for our administrative and health records. Please complete the registration forms prior to your appointment . The forms can be accessed online by visiting our website www.frederickimplant.com . Below the "Patient Info section", select "Patient Registration Form" and you will be directed to complete the forms electronically. |
| DOCUMENTS | Please bring your insurance card, photo identification, and any x-ray images and/or referral form provided by your dentist. |
| CONSULTATION | The doctor will talk with you about your wishes and desire. She will examine you and give you her opinion about how to achieve your goals. You may choose to look at videos or photos about the procedures. Brochures are also available, which you may read and/or take home. |
| IMAGING | The doctor can use computer imaging (CAT scan) to aid in the surgical planning process. |
| EDUCATION | We believe you need to be well-informed about the actual process of preparing for, and recovering from treatment. Our Surgical Assistant will review oral hygiene instructions, consent forms, and instructions for before and after treatment, to make sure you are as comfortable as possible through this process. |
| COST/ TIMING | On the day of your consultation appointment, you can expect a consultation and oral hygiene instructions fee. If x-ray images are needed, there will be a fee for that as well. At the conclusion of your appointment, you will meet with our Treatment Coordinator, who will discuss your treatment plan, including cost, and possible insurance coverage. If you have a specific date in mind, we will do our best to accommodate your schedule. |
| SEDATION | You will have an opportunity to discuss your wishes for possible oral sedation or IV sedation. |
| CANCELLATION | Our goal is to provide patients with the best possible care in a timely manner. Your appointment has been set aside just for you. Missed appointments can prevent another patient from receiving much needed care. In the event that you cannot make your appointment, please notify our office at least 48 hours prior to your appointment or an appropriate fee of \$30.00 may be collected. |
| FOLLOW UP | Your procedure includes two additional follow up visits, to make sure that healing is well, and your goals have been met. |
